16			1	1				1			1		The majority of fire depts in Vermont are volunteer or part time. Would rather see full time sheriff's department housed in the BF station. Should we keep the BFPD full time then a dispatcher should be available 24 hours in BF not through the sheriff's office and open to the public. No more locked doors after a certain hour. Full time should MEAN ful-time 24/7.
