TOWN OF ROCKINGHAM
GIS MAPS AND PARCEL DATA

The Town of Rockingham now has GIS data available on a website for public use. You may access the site two ways:

Using the following link: www.mainstreetmaps.com/VT/Rockingham

Or through the Town's website: www.rockbf.org
>   On the home page click on Government
>   Drop down to Town of Rockingham and click on
>   Drop down to Listers Office and click on
>   At the Lister's page scroll to bottom of the page and click on the GIS Map Site.

At the GIS Site start your search in the upper far right hand corner of the page. Click on your search preference: Address; Parcel ID; or Owner. Fill the box with the information pertaining to your search and press enter. The parcel requested will appear on screen, highlighted.

Once the property is located additional property Information may be obtained by clicking on the Property tab on the left side of page.

Property Details:

Property ID#	Property ID With Suffix	SPAN ID
Map Number	911 Number	Street
Location	Owner	Co-Owner
Land Area	Mailing Address	Zoning Code
Total Value	Land Value	Building Value
Main Building Year Built		

You may define your map by clicking on the layers tab located on the left side of the page and clicking on the boxes you're requesting information on.

Tax Maps Layers available:

Road Names	911 Address Numbers	Parcel ID Text	Parcel Area Text
Parcel Dimension Text	Buildings in Villages	Contours	Railroad
Water			

Aerial Photo Layer: This layer is found in the drop down box next to the Base Map heading in the upper right hand side of page. In drop down click on VT Color Imagery (VCGI) to view this layer.

Other Information available:
Zoning Maps
Bellows Falls Village Building Address Maps
Saxtons River Building Address Maps

We will continue toward future expansion to include the information not available currently, such as photos, sketches, and sales information.

The Site map will be updated annually to match the New Grand List.
